General Practices

Guiding You to a Flawless Celebration of Love.

- All packages come with complimentary tables and chairs for up to 30 guests.
- We offer two beautiful arches for your wedding ceremony, each with the flexibility for you to decorate as you wish. However, we ask that any decor placed on the arches be removed after your ceremony so they are available for the next couple to enjoy the same benefits.
- There are a couple picturesque spots on the property that offer stunning backdrops for sunset photos, perfect for capturing those magical moments.
- For all packages, except the Venue Only Experience package and Getting ready station rental, luxury on-site restrooms will be provided for your event.
- You are welcome to bring in food and beverages of your choice; however, we do not permit hard liquor on the premises, with the exception of wine and beer.
- Insurance: we recommend that couples obtain wedding day insurance, which can cover any unexpected situations or damages.
- We do not permit smoking on the property grounds.
- Time Management: we encourage couples to arrive on time to fully enjoy their allotted time blocks. Early arrival is welcome to get settled in, but please keep in mind that the venue will be prepared for the next couple promptly at the end of your scheduled time.
- Noise Regulations: to ensure a peaceful environment for all, we ask that noise levels be kept to a respectful volume, particularly during the evening hours. Live music, DJs, or amplified sound must be arranged in advance, and we ask that all events wrap up by 10 PM to respect the neighborhood.:
- Vendors and Deliveries: any vendors or deliveries must be coordinated in advance. Please provide a list of your vendors so we can assist with any special arrangements or access needs on the day of your event.
- Decor Guidelines:: while you have full creative freedom with your decor, we ask that no nails, tacks, or tape be used on walls, arches, or furniture. Please use alternatives such as removable hooks or floral wire to avoid damage.
- Parking: the venue provides parking for up to 8 vehicles. Additional parking needs may be addressed by coordinating with local parking options or arranging car services for your guests. Carpooling is strongly recommended.
- For any excess trash beyond the expected amount, a cleaning fee of \$200 for events and \$50 for getting ready station will be applied. We will provide trash receptacles throughout the property to ensure a seamless experience for you and your guests.
